

MIXED TENSES 2

A Trip to the Future

Yesterday, my family and I (1. decide) _____ to take a trip to the future using a time-travel machine. The machine (2. look) _____ like a large, metallic pod with blinking lights. As soon as we (3. enter) _____ it, the pod (4. start) _____ humming, and we (5. find) _____ ourselves in a bustling city of the future.

The people around us (6. wear) _____ futuristic clothing, and the buildings (7. look) _____ like something out of a sci-fi movie. While we (8. explore) _____ the city, we (9. notice) _____ various advancements in technology that (10. change) _____ the way people live.

As we (11. walk) _____ through the city, we (12. see) _____ flying cars and robots (13. perform) _____ various tasks. We (14. feel) _____ like we (15. travel) _____ to a different world. It's incredible how much the world (16. evolve) _____ in just a few decades.

When it (17. become) _____ time to return, we (18. step) _____ back into the time-travel pod, and in an instant, we (19. find) _____ ourselves back in our own time.

MIXED TENSES 2

Answer Key:

1. decided
